ORDINANCE 118605

AN ORDINANCE relating to Seattle Public Utilities and the Department of Housing and Human Services; providing for certification and funding of certain water and sewer infrastructure extensions that serve residences of very low-income households; adding a new section to the municipal code, and amending SMC 21.04.060.B and 21.16.270.B.

WHEREAS, the City of Seattle supports affordable housing efforts and providing assistance to low-income customers, and

WHEREAS, the cost of extending public water and sewer infrastructure can be a significant element of the cost of housing developments that serve very low-income persons; and

WHEREAS, under current City law developers of housing pay the costs of constructing public water and sewer infrastructure, regardless of the income level of persons occupying that housing; and

WHEREAS, the City has full authority under State law to set rates and charges for its water and sewer services, systems and facilities; and

WHEREAS, pursuant to SMC Chapter 21.76, Seattle Public Utilities currently provides water and sewer rate credits to qualified low-income households, but does not provide such credits to low-income households that receive utility allowances from the United States Department of Housing and Urban Development ("HUD") to public housing authorities; and

WHEREAS, the City desires to expand the scope of utility assistance to low-income households by participating in payment of the costs of extending public water and sewer infrastructure in projects that receive HUD utility allowances and serve verylow-income households; and

WHEREAS, the City desires to add a new Municipal Code section 21.04.280 and amend SMC 21.04.060.B and SMC 21.16.270.B to effectuate such infrastructure assistance; Now, Therefore,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new section 21.04.280 is added to the Municipal Code to read as follows:

A. As used in this section, the following words shall have the following meanings:

"Eligible Project" means any housing development or redevelopment project in the City of Seattle that receives a HUD utility allowance, in which at least 50% of the dwelling units will be

1 affordable to and will be occupied by households with aggregate annual incomes no higher than fifty
2 percent (50%) of median income.

3 "Median Income" means annual median income for the Seattle-Everett Metropolitan Statistical
4 Area, adjusted for household size, as provided from time to time by the U.S. Department of Housing
5 and Urban Development ("HUD"). If HUD ceases to provide such estimates no less frequently than
6 annually, then "Median Income" shall mean such comparable figure for the Seattle area or an area
7 including Seattle, published or reported by a federal, state, or local agency, as the City shall select in its
8 sole discretion.

9 "Public Infrastructure" means the water, wastewater and/or drainage infrastructure that is
10 required to be (i) constructed or installed under SMC 21.04.060.B, SMC 21.16.270.B and/or SMC
11 chapter 23.53, respectively, and any rules or policies that may be promulgated thereunder, and (ii)
12 transferred to the City upon completion of construction.

13 B. For housing development or redevelopment projects certified by the Department of Housing
14 and Human Services as Eligible Projects and that are required to construct Public Infrastructure, Seattle
15 Public Utilities shall fund the actual cost of the Public Infrastructure prorated according to the
16 percentage of dwelling units that will serve households with aggregate annual incomes no higher than
17 fifty percent (50%) of median income; provided that the property owner installs water and electric
18 meters (or submeters, as applicable) in the Eligible Project and that all Public Infrastructure and all
19 meter work is performed in a manner acceptable to Seattle Public Utilities. An amount equal to such
20 funding shall be recovered through increased water, wastewater and drainage charges established by
21 ordinance. The Department of Housing and Human Services shall certify only those projects that meet
22 the criteria of Eligible Projects and that also demonstrate to the satisfaction of the Department that the

1 property owner will comply with all applicable State law, including without limitation public bidding
2 and prevailing wage laws, and with all applicable City law, including without limitation laws pertaining
3 to the prevention of discrimination and women and minority business enterprises. The Department of
4 Housing and Human Services, in agreement with Seattle Public Utilities, is hereby authorized to
5 develop rules and procedures for certification of, and follow-up reporting by Eligible Projects to ensure
6 that they satisfy the intent of this ordinance.

7 Section 2. The Seattle Municipal Code subsection 21.04.060.B is hereby amended to read as
8 follows:

9 B. In case of application for water service to supply premises not abutting upon a street in which there
10 is a standard City water main, the Director will require construction of a standard water main abutting
11 the property before a connection is made: provided((:)) ; that under certain conditions, a temporary
12 connection may be provided for the property, or a service to the property of the applicant may be placed
13 along and beneath any public street or avenue((-)); and provided further, that in the case of certain
14 housing development or redevelopment projects for households with aggregate annual incomes no
15 higher than fifty percent (50%) of median income, the Director shall, prior to December 31, 1999, in
16 accordance with SMC 21.04.280 fund a portion of the costs of construction of a standard water main.

17 Section 3. The Seattle Municipal Code subsection 21.16.270.B is hereby amended to read as
18 follows:

19 B. Unless authorized by the Director of Seattle Public Utilities, an owner or occupant who is required,
20 or wishes, to connect to a public sewer shall be required to build a main sewer line extension if a public
21 sewer is not accessible within an abutting public area, or if the building, habitable structure, plumbing
22 outlet or source of polluted water is more than two hundred feet (200') from public sewer. In the

RE: Holly Park Ordinance Regarding Utilities Contributions for Very Low Income Projects

Dear Council President Drago:

I have attached an Ordinance for your consideration that providing for certification and funding of certain water and sewer infrastructure extensions that serve residences of very low-income households, and making associated amendments to the Municipal Code. This is one of the ordinances intended to accomplish the Holly Park Finance Plan. The proposed financial plan spreads the funding burden among nine different sources, including housing funds, general fund, utilities and economic development funds.

This Ordinance is part of a larger package of legislation regarding Holly Park being submitted for Council consideration. An Executive Report and Recommendations fully explaining the Holly Park project and detailing issues and legislation will accompany the legislation.

If you have any questions regarding the attached Ordinance, or would like more information, please feel free to call me at x48363.

Sincerely,

Tom Tierney
